SHE-HULK

JEN
BARTEL

TOM PALMER

1941–2022

“Yet another comic legend has left us. Aside from being an incredible inker and painter, Tom was a true gentleman. He was like Obi-Wan to so many young editors and artists, freely sharing his experiences and wisdom with us all. Rest in peace, Tom.”

—C.B. CEBULSKI

Jennifer Walters was a shy attorney, good at her job and quiet in her life, when she was gunned down by criminals. A gamma-irradiated blood transfusion from her cousin, Dr. Bruce Banner, A.K.A. the Incredible Hulk, didn't just give her a second chance at life, but also super-strength and bulletproof green skin--and unbelievably gorgeous hair. She is the Sensational...

She- HULK

Previously...

Jennifer Walters--otherwise known as **She-Hulk**--has left the Avengers and returned to lawyering. She now works for her former adversary **Mallory Book**, whose strict "no super-human clients" policy has relaxed since Jen joined the firm.

Out of the office, Jen has been dealing with the unexpected return of friend, fellow Avenger, and previously presumed-dead **Jack of Hearts**. Something put a damper on Jack's powers--something he can't recall. While Jen and Jack were trying to unravel the mystery, a hulking superhuman named Mark attacked Jack. Mark's wife April dismissed the attack as an accident, but Jen isn't convinced. Through it all, Jen and Jack have been growing closer, and when they finally had a moment to themselves, things got intimate...

**JENNIFER WALTERS,
SHE-HULK.**
Carefree.

**JONATHAN HART,
JACK OF HEARTS.**
Powerless.

AWESOME ANDY.
Robot. Once a pawn in
the Mad Thinker's
villainous plan. Currently
an office assistant with
an apartment in Queens.
A solid guy.

All right,
time for you to
explain what sort
of client can only
come in on a
Saturday...

I'm not
sure how I feel about
helping you keep secrets
from your girlfriend--
especially when she's
my boss.

Do I
even want
to know?

DOCTOR
DOOM?!

VICTOR MANCHA.
Teen cyborg. Once a pawn
in Ultron's villainous plan.
Now the *least* villainous
member of the Runaways.

Sorry. I'm
Victor Mancha,
and this is my Friend
Doombot, who
definitely is *not*
Doctor Doom.

**I AM
DOOM!**

Andy.
Why is there
a deluded
Doombot in
my office?

DOOMBOT.
Just another one of
Doctor Doom's dime-
a-dozen Doombots.

A FEW MINUTES LATER,
AFTER JEN HAS AWKWARDLY
OFFERED THREE ROBOTS COFFEE...

So you met
through the Avengers...
Why didn't I know
there was a Robot
Avengers?

Victor Mancha
isn't a robot--
he's a cyborg.

I stand
corrected.

It was called Avengers A.I.--
and Doombot distinguished himself
in battle countless times. He
saved the world.

It was
nothing.
Really.

I only did it
because Hank
Pym installed
a kill switch in
my chest.

Which was
removed!
Doombot is
his own man now. He
thinks for himself and is
entirely responsible for
his own actions.

And that's a...
good thing?

Yes.

I don't know, guys--I'm not sure that defending a Doombot who *wishes* he was Doctor Doom is actually in the public interest.

And I can't imagine it will help Mallory pay the rent.

I know that Doombot hasn't made a positive impression today--

...despite swearing on the honor of the maidens of Latveria that he would at least *try*...

--but you can't let him be tried for someone else's crimes.

It's wrong.

And it-- Well, it--

IF the world refuses to see that Doombot is fundamentally different from his creator...

...what incentive is there for him to be different?

Why should we-- Why should he even try?

Sigh All right... Fine.

This should be an open-and-shut case, anyway. He's clearly a Doombot...

I AM DOOM!

...I can probably get the charges dismissed before trial.

Thank you so much! I knew you'd help.

And that scoundrel Murdock refused our calls...

LATER.
MUCH LATER THAN
JEN WAS PLANNING.
BROOKLYN.

NOK
NOK

Hi. I'm
Jennifer
Walters.

We've
met.

Not
really...

APRIL. We don't really
know anything about April.

What
do you
want?

I thought
maybe I
could help
you--

I don't
remember
asking you
for help.

Your...
husband.
He's very
powerful.

I have
it under
control.

Sorry,
but you
obviously
don't.

APRIL?

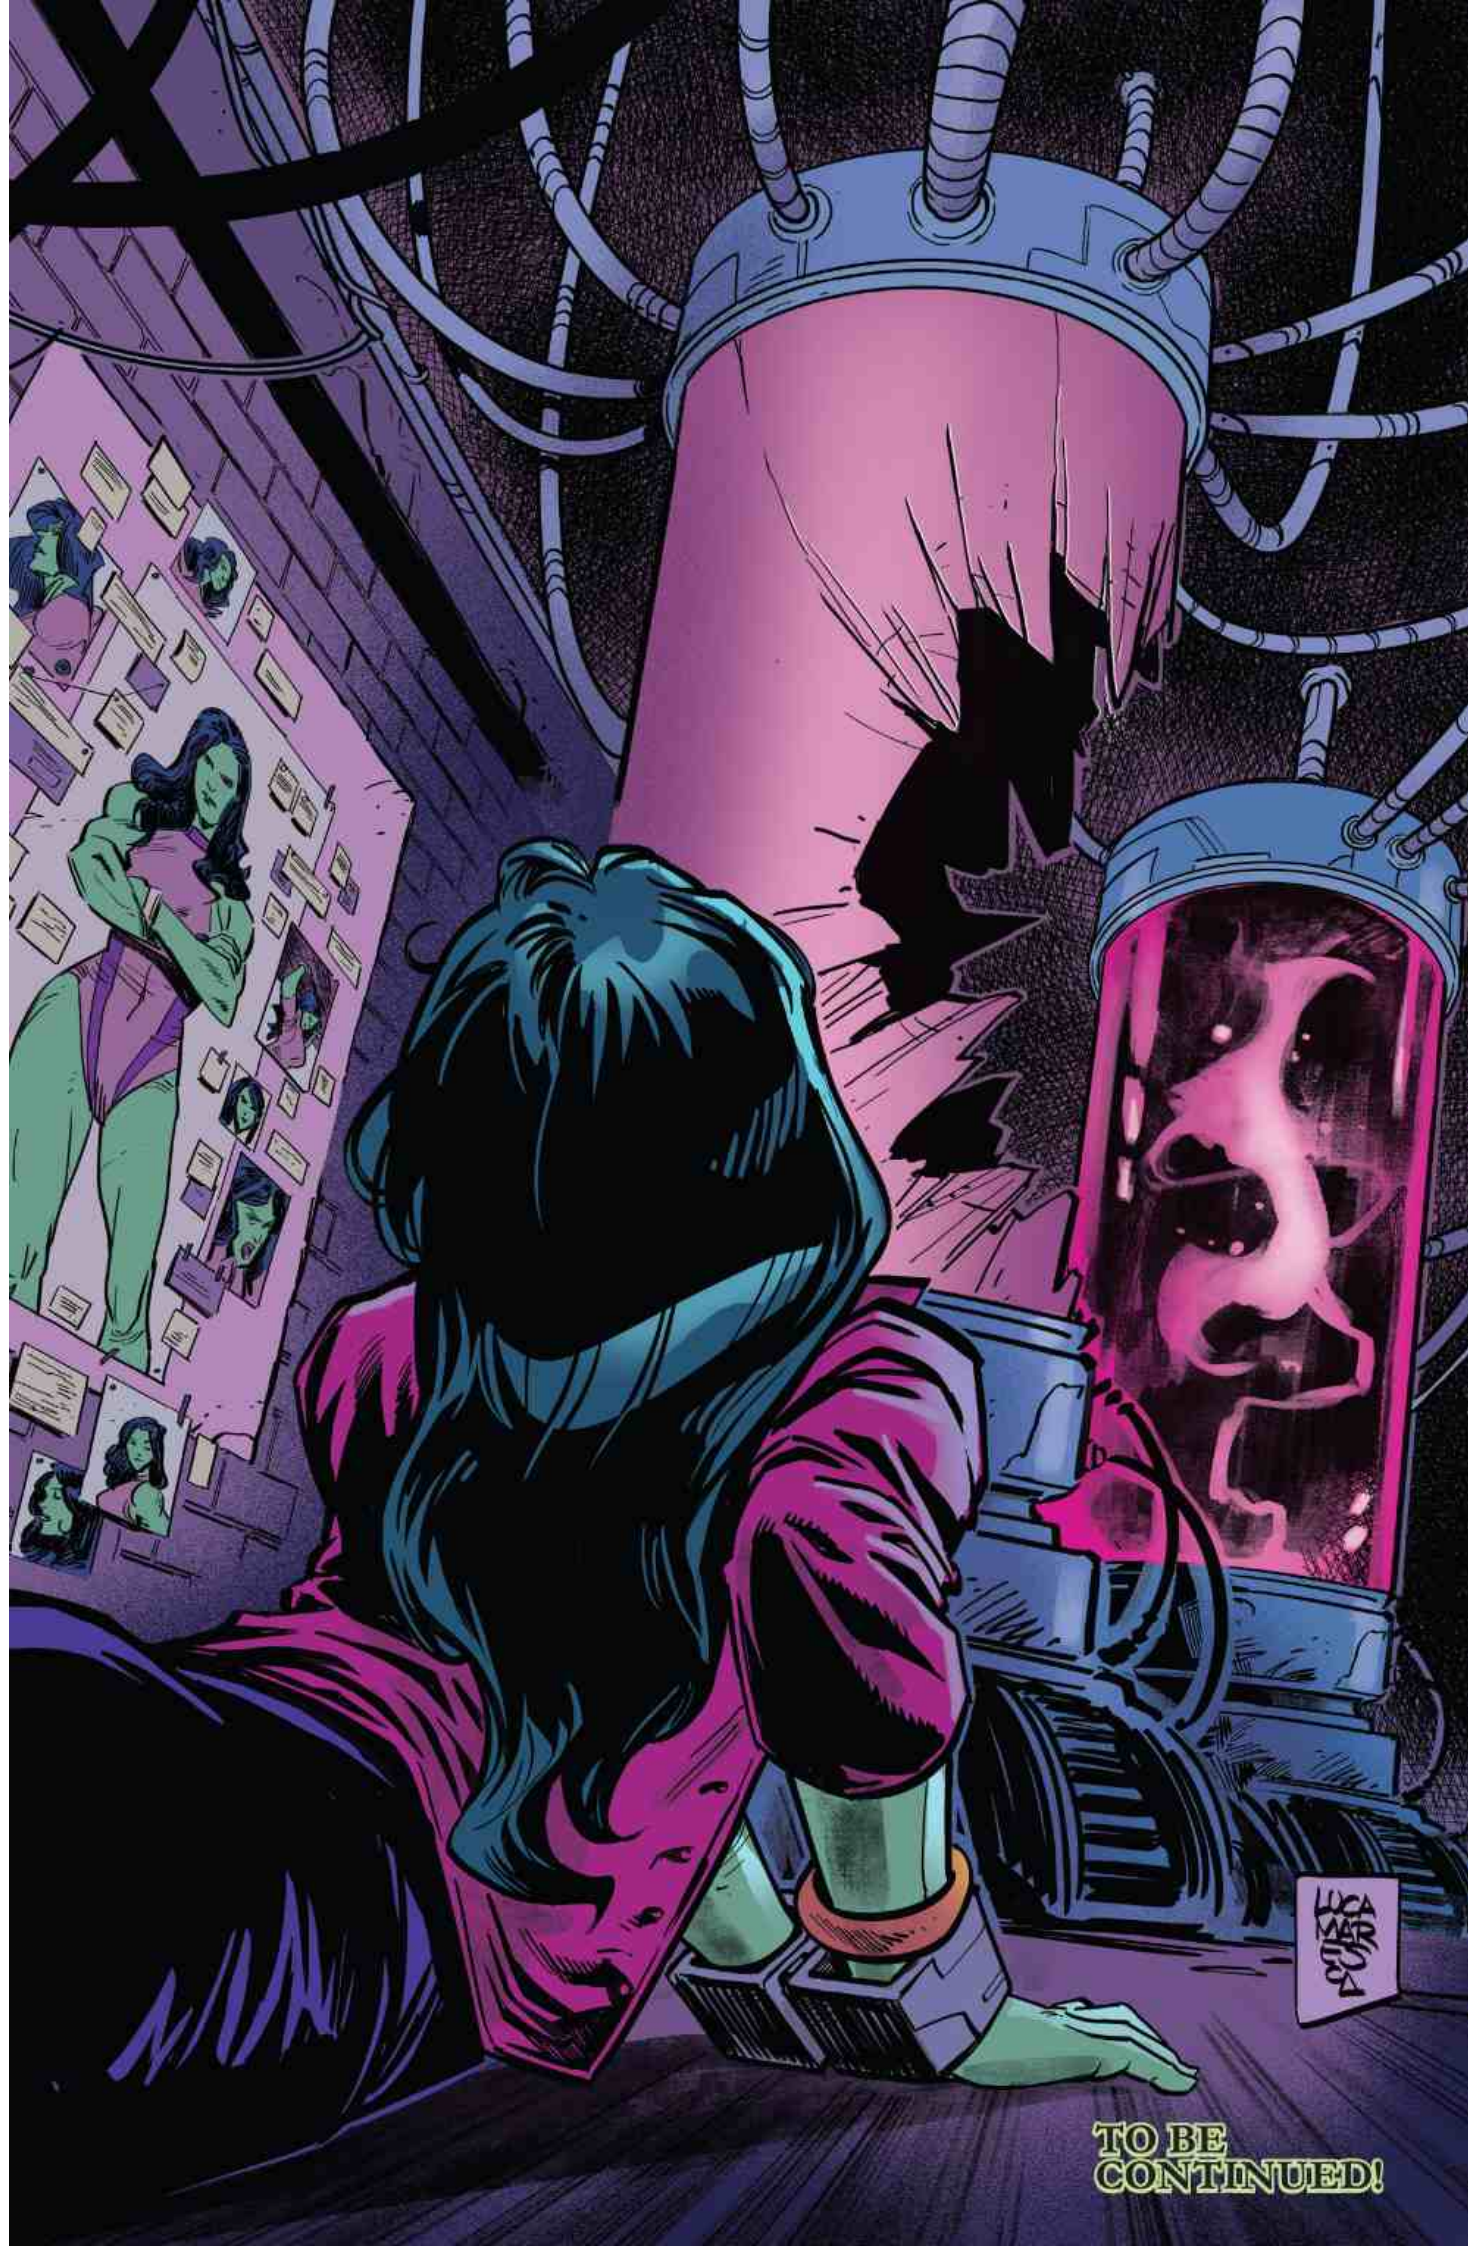

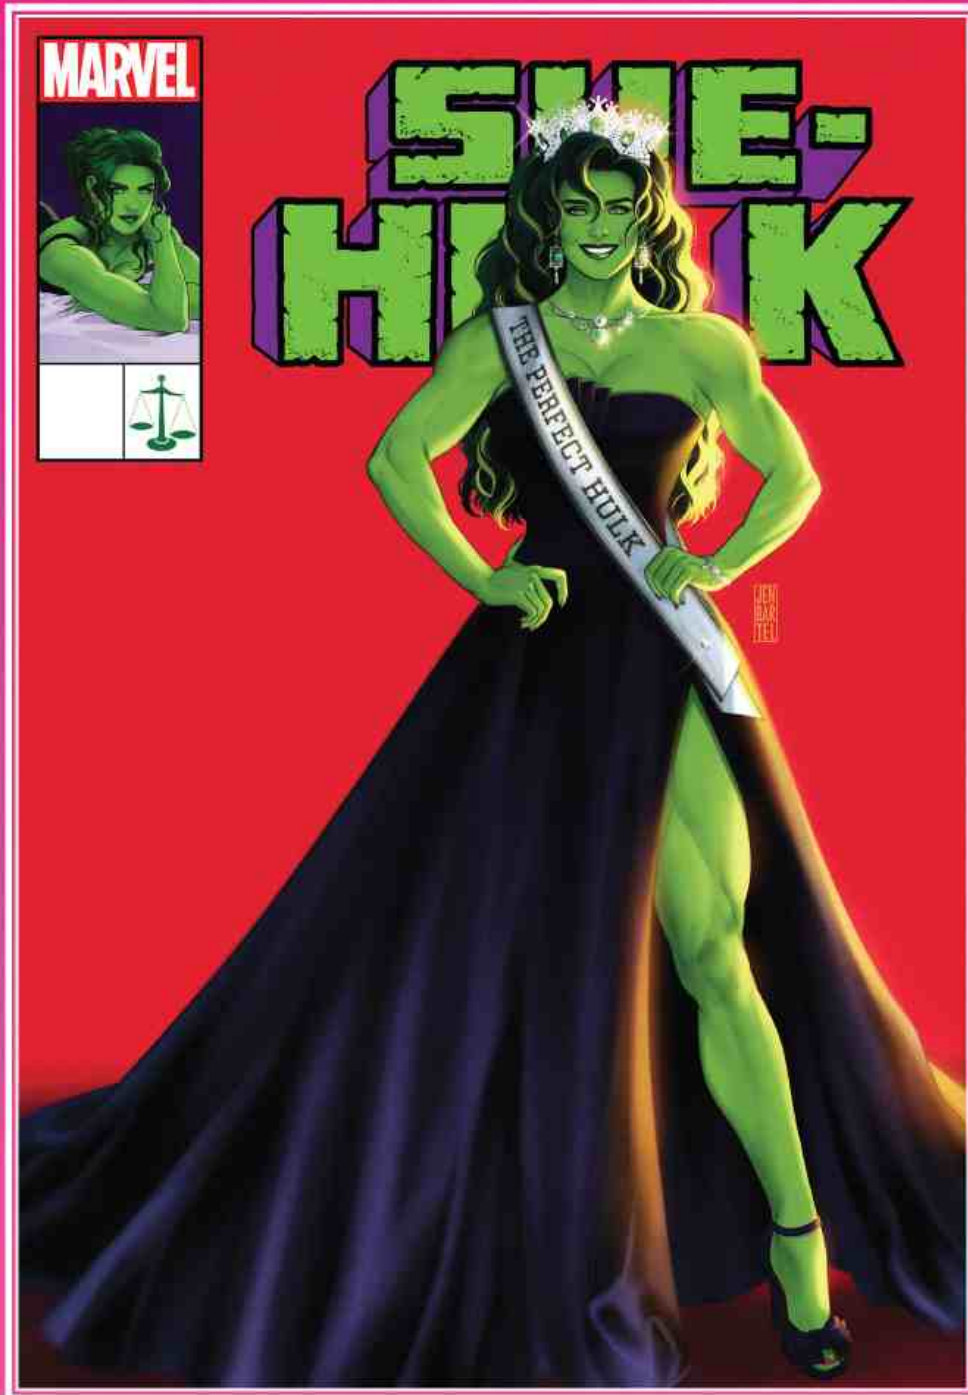

TO BE
CONTINUED!
